CONFIDE IN

When it is evident that women need competent advice about their health, is it not well for them to know how to secure it? Tell your story without

reservation to Mrs. Pinkham: she never breaks

confidence, and her advice is the best in the world. Miss Mecum's two letters show how helpful it is. [PUBLISHED BY SPECIAL PERMISSION.]

DEAR MES. PINEMAM: I have read so much about your great kindness to suffering women that I thought I would write and tell you of my troubles. In the first place, I have a blood disease which the doctors call dry ecnema. I have taken a great deal of medicine but received no permanent benefit, so thought I would try your medicine. Menses are irregular, and I am troubled with leuvorrhoss. Bowels are constipated; sometimes have sharp pains; cannot sleep at night; have such shaking spells I cannot be still. Suffer with pain in lower part of back, in my side under left breast, and through my chest; also troubled with shortness of breath and dizziness. Please give me your advice.

MISS MARY MECUM.

DEAR MRS. PINERIAM: When I wrote to you some time ago I was feeling very miserable. I followed the advice you gave me, and must say that I think your remedies are the greatest remedies on earth. I took both Lydia E.

DRAB Mas. PINKHAM: I have noticed your advertisement and feel that your medi-cine will do me some good. I have been suffering several menths with womb trouble. The womb swells and it feels as if something was gathering on each side. Some days

I can hardly be on my feet at all. It makes me very nervous, and I also have a discharge of leucorrhom. I am getting tired of suffering so much and want to try your medicine. Please advise me and answer as soon as possible.

MISS DELLA M. HITTLE.

Million, Ixp., Nov. 8, 1896.

Dear Mrs. Pineram: Words cannot express my gratitude for the good I have derived from the use of your remedies. I suffered with congestion of the ovaries and inflammation of the womb. I was completely run down and my condition was very serious. After reading of the good your medicine had done for others I concluded to write to you for advice.

Upon receiving your reply I took a course of your medicine and am now well. The Lydis E. Pinkham Vegetable Compound also

cured me of the awful headsches I was subject to. I shall never be without your medicine. I cheerfully recommend it to all and firmly believe it capable of curing any female sickness. MISS DELLA M. HITTLE.

your medicine to others.

When you go to your druggist for Mrs. Pink-ham's remedies do not let him persuade you to try something "just as good." He is merely trying to make a larger profit. The medicine that surely cures women is LYDIA E. PINKHAM'S VEGETABLE COMPOUND.

Pinkham's Vegetable Compound and Blood Purifier, and they have done me more good than anything I ever took. I cannot express my thankfulness to you, and I shall always recommend your medicine to others.

MISS MARY MECUM.

Mrs. Pinkham's address is Lynn, Mass. She advises women free. Miss Della M. Hittle has

given permission to print her two letters, showing how easy it is to get the right help.
